PURE INDUSTRIAL REAL ESTATE TRUST

INFORMATION CIRCULAR

(Containing information as at March 18, 2010 unless indicated otherwise)

SOLICITATION OF PROXIES

This information circular is furnished in connection with the solicitation of proxies by the trustees (the “Trustees”) of Pure Industrial Real Estate Trust (the “Trust”) for use at the annual meeting (the “Meeting”) of holders (the “Unitholders”) of units (the “Units”) of the Trust to be held at The Sutton Place Hotel, 845 Burrard Street, Vancouver, British Columbia, in the Chateau Olivier Room at 10:30 a.m. (Pacific Time), on April 16, 2010, or at any adjournments thereof, for the purposes set forth in the accompanying Notice of Annual Meeting.

It is expected that the solicitation of proxies for the Meeting will be primarily by mail, but proxies may be solicited personally, by telephone or by other means of communication by the Trustees of the Trust, who will not be specifically remunerated therefor. All costs of solicitation of proxies by or on behalf of the Trustees will be borne by the Trust.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Trust. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

APPOINTMENT OF PROXIES

Registered Unitholders are entitled to vote at the Meeting. The persons named as proxyholders in the accompanying Form of Proxy are Trustees of the Trust. A Unitholder desiring to appoint some other person, who need not be a Unitholder, to attend and act on the Unitholder’s behalf at the Meeting has the right to do so, by striking out the printed names and inserting the name of such other person and, if desired, an alternate to such person, in the blank space provided in the Form of Proxy. Such Unitholder should notify the nominee of the appointment, obtain the nominee’s consent to act as proxy and should provide voting instructions to the nominee. The nominee should bring personal identification to the Meeting.

A Form of Proxy must be in writing and signed by the Unitholder or by the Unitholder’s attorney duly authorized in writing or, if the Unitholder is a body corporate or association, under its seal or by an officer or attorney thereof duly authorized indicating the capacity under which such officer or attorney is signing. If an attorney executes the Form of Proxy, evidence of the attorney’s authority must accompany the Form of Proxy. A proxy will not be valid unless the completed Form of Proxy is received by Computershare Investor Services Inc., 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1 (facsimile: (416) 263-9394) not less than 48 hours (excluding Saturdays, Sundays and holidays) prior to the time of the Meeting, or any adjournment or postponement thereof.

Beneficial Unitholders who hold their Units of the Trust through an intermediary/broker are not entitled, as such, to vote at the Meeting through a proxy. Regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Unitholders in advance of the Meeting. Beneficial Unitholders should carefully follow the instructions of their intermediary/broker, including those on how and when voting instructions are to be provided, in order to have their Units voted at the Meeting. See “Beneficial Unitholders”.

REVOCATION OF PROXIES

A Unitholder who has given a Form of Proxy may revoke it by an instrument in writing that is signed and delivered to Computershare Investor Services Inc. in the manner as described above so as to arrive at any time up to and including the last business day preceding the day of the Meeting, or any adjournment or postponement thereof, at which the Form of Proxy is to be used, or to the chair of the Meeting on the day of the Meeting or any adjournment or postponement thereof, or in any other manner provided by law. Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a Unitholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a Form of Proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF PROXIES

The Trustee representatives designated in the accompanying Form of Proxy will vote or withhold from voting the Units in respect of which they are appointed proxy on any poll that may be called for in accordance with the instructions of the Unitholder as indicated on the Form of Proxy and, if the Unitholder specifies a choice with respect to any matter to be acted upon, the Units will be voted accordingly. Where no choice is specified in the Form of Proxy, other than for the appointment of an auditor and the election of Trustees, such Units will be voted “for” the matters described therein and in this Information Circular.

The accompanying Form of Proxy confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Annual Meeting and with respect to other matters that may properly come before the Meeting, other than for the appointment of an auditor and the election of Trustees. In the event that amendments or variations to matters identified in the Notice of Annual Meeting are properly brought before the Meeting or any other business is properly brought before the Meeting, it is the intention of the Trustee representatives designated in the accompanying Form of Proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Information Circular, the Trustees know of no such amendment, variation or other matter, which may be presented to the Meeting.

A Unitholder may indicate the manner in which the nominees are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Units represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. **The Units represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Unitholder on any ballot that may be called for and if the Unitholder specifies a choice with respect to any matter to be acted upon, the Units will be voted accordingly.**

If no choice is specified in the proxy with respect to a matter to be acted upon, the proxy confers discretionary authority with respect to that matter upon the nominee named in the Form of Proxy. It is intended that the nominee will vote the Units represented by the proxy in favour of each matter identified in the proxy and for the Trusts’ nominees for trustee and auditor.

In the case of abstentions from, or withholding of, the voting of the Units on any matter, the Units that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

BENEFICIAL UNITHOLDERS

These meeting materials are being sent to both registered and non-registered Unitholders. If you are a non-registered Unitholder and the Trust or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary/broker holding on your behalf.

The information set forth in this section is important to all Unitholders of the Trust. Unitholders who do not hold their Units in their own name are referred to in this Information Circular as “Beneficial Unitholders”. **Beneficial Unitholders should note that only a Unitholder whose name appears on the records of the Trust as a registered holder of Units or a person they appoint as a proxy can be recognized and vote at the Meeting.** Currently, all issued and outstanding Units are in a book-based system administered by The Canadian Depository for Securities (“CDS”). Consequently, all Units are currently registered under the name of CDS & Co. (the registration name for CDS). CDS also acts as nominee for brokerage firms through which Beneficial Unitholders hold their Units. Units held by CDS can only be voted (for or against resolutions) upon the instructions of the Beneficial Unitholder.

Applicable regulatory policy requires intermediaries/brokers to whom meeting materials have been sent to seek voting instructions from Beneficial Unitholders in advance of Unitholders’ meetings. Every intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Unitholders in order to ensure that their Units are voted at the Meeting. Often, the Form of Proxy supplied to a Beneficial Unitholder by its broker is identical to that provided to registered Unitholders. However, its purpose is limited to instructing the registered Unitholder how to vote on behalf of the Beneficial Unitholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“Broadridge”). Broadridge typically prepares a special voting instruction form, mails those forms to the Beneficial Unitholders and asks for appropriate instructions respecting the voting of Units to be represented at the Meeting. Beneficial Unitholders are requested to complete and return the voting instruction form to Broadridge by mail or facsimile. Alternatively, Beneficial Unitholders can call a toll-free telephone number or access Broadridge’s dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and vote the Units held by them. Broadridge then tabulates the results of all voting instructions received and provides appropriate instructions respecting the voting of Units to be represented at the Meeting. A Beneficial Unitholder receiving a voting instruction form cannot use that voting instruction form to vote Units directly at the Meeting. The voting instruction form must be returned as directed by Broadridge well in advance of the Meeting in order to have the Units voted. Beneficial Unitholders who receive forms of proxies or voting materials from organizations other than Broadridge should complete and return such forms of proxies or voting materials in accordance with the instructions on such materials in order to properly vote their Units at the Meeting.

Beneficial Unitholders cannot be recognized at the Meeting for purposes of voting their Units in person or by way of depositing a Form of Proxy. If you are a Beneficial Unitholder and wish to vote in person at the Meeting, please see the voting instructions you received or contact your intermediary/broker well in advance of the Meeting to determine how you can do so.

Beneficial Unitholders should carefully follow the voting instructions they receive, including those on how and when voting instructions are to be provided, in order to have their Units voted at the Meeting.

TRUST STRUCTURE

The Trust was established on June 24, 2007 and is an unincorporated, open-ended trust governed by the laws of the Province of British Columbia and by its Declaration of Trust. Cease Trade Orders

No proposed Trustee of the Trust is, or within the ten (10) years before the date of this Information Circular has been, a director, chief executive officer or chief financial officer of any company that:

- (a) was subject to an order that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or

- (b) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

Bankruptcies

Except as disclosed herein, no proposed Trustee of the Trust is, or within ten (10) years before the date of this Information Circular, has been a director or an executive officer of any company that, while the person was acting in that capacity, or within a year of that person ceasing to act in the capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold its assets or made a proposal under any legislation relating to bankruptcies or insolvency.

Robert King served as a director of Redekop Properties Inc. (“RPI”) from March 1997 to June 2001. RPI was formerly listed on the Toronto Stock Exchange. On December 4, 2000, RPI and certain affiliated companies applied for and were granted a protective order under the *Companies’ Creditors Arrangement Act* (Canada). On February 9, 2001, RPI and an affiliated company, applied for, and received a stay order under the *Companies’ Creditors Arrangement Act* (Canada). A monitor was appointed to monitor the business and financial affairs of RPI while the stay order remained in effect.

On March 2, 2001, the British Columbia Supreme Court dismissed an application by RPI and its affiliates for an order entitling RPI to file a plan of arrangement under the *Companies’ Creditors Arrangement Act* (Canada). In dismissing the application, the Court withdrew the protective order previously granted to RPI and its affiliates.

On or about March 5, 2001, Montreal Trust Company of Canada filed a Notice of Intention to Enforce Security against RPI under the Bankruptcy and Insolvency Act (Canada). Mr. King resigned from the board of directors of RPI prior to the commencement of proceedings under the Bankruptcy and Insolvency Act (Canada).

No proposed Trustee of the Trust has, within ten (10) years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

Compensation of Trustees

There was no annual compensation paid to the Trustees during the year ended December 31, 2009. However, on March 11, 2009, the independent trustees were granted a total of 52,382 restricted units as per the Restricted Unit Plan adopted by the Trustees on February 20, 2008. Further details of the Plan are outlined in the section titled “Executive Compensation”.

EXECUTIVE COMPENSATION

In this section, “Named Executive Officer” or “NEO” means the following individuals: (a) each Chief Executive Officer of the Trust (or person acting in a similar capacity) during the most recently completed financial year of the Trust; (b) each Chief Financial Officer of the Trust (or person acting in a similar capacity) during the most recently completed financial year of the Trust; (c) each of the Trust’s three most highly compensated executive officers (or persons acting in a similar capacity), other than the Chief Executive Officer and Chief Financial Officer, at the end of the most recently completed financial year of the Trust whose total compensation was, individually, more than \$150,000; and (d) any additional individual who would be a Named Executive Officer under (c) but for the fact that the individual was not serving as an executive officer of the Trust, nor acting in a similar capacity, as at the end of the most recently completed financial year. During the most recently completed financial year, the Trust had two Named Executive Officers: (i) Darren Latoski who is the Trust’s acting Chief Executive Officer; and (ii) Stephen Evans, who is the Trust’s acting Chief Financial Officer.

Compensation Discussion and Analysis

The Trustees have established the Compensation Committee (the “Compensation Committee”), whose members are T. Richard Turner (Chair), Jon Gordon and Robert King.

The Compensation Committee assists the Trustees in determining compensation of senior management as well as reviewing the adequacy and form of Trustees’ compensation; annually reviews the Acting President and Acting Chief Executive Officer’s goals and objectives for the upcoming year and performs an appraisal of the Acting President and Acting Chief Executive Officer’s performance; administers and makes recommendations regarding the operation of the long-term and other incentive plans; and advises the Trustees in filling vacancies on the Board of Trustees.

The Trust’s overall approach to compensation is to provide senior executives with total compensation that is competitive to that of similar positions in the industry and in Canadian real estate investment trusts of similar size as the Trust.

Restricted Unit Plan

On February 20, 2008, the Trustees adopted a Restricted Unit Plan (the “Restricted Unit Plan”), for the purposes of supporting the achievement of the Trust’s performance objectives; ensuring that the interests of Trustees, key management and key employees are aligned with the success of the Trust; providing incentive bonus compensation to Trustees, key management and key employees; and attracting, retaining and motivating Trustees, key management and key employees critical to the long-term success of the Trust.

The Restricted Unit Plan provides for the grant of restricted units (each, a “Restricted Unit”) to participants (who may be Trustees, key management, key employees or consultants). Each Restricted Unit will give the participant the right to receive, upon vesting, an amount equal to the fair market value of the units on the payment date, either by way of a cash payment or by the Trust acquiring Units in the open market and distributing them to the participant, or by a combination of the two, at the Trust’s option. As distributions are paid on Units, additional Restricted Units will be credited to the participants in an amount determined by dividing the dollar amount of the distributions payable by the fair market value per Unit on the date of the distribution. As well, the number of Restricted Units granted to a participant may be increased by a “performance factor” established by the Trustees at the time of grant. Unless otherwise determined by the Trustees, Restricted Units will vest and become available for redemption on the third anniversary of their being granted, or on a change of control or take over bid for the Trust. Restricted Units vested must be redeemed not later than December 31 in the year of vesting. However, the Restricted Units granted to a participant and any associated distribution Restricted Units shall not vest, and the participant shall not be entitled to such Restricted Units or associated distribution Restricted Units if the performance criteria, which are specified in the grant agreements, are not met.

As at December 31, 2009, the Trust has issued a total of 52,382 Restricted Units; 14,286 Restricted Units to each of Richard Turner and Douglas Scott; and 11,905 Restricted Unit to each of Jon Gordon and Robert King. The Trust also issued 10,788 distribution Restricted Units for proceeds of nil. No compensation expense has been recorded in the statement of operations in relation to the Restricted Units and distribution Restricted Units issued as at December 31, 2009.

There was no executive compensation paid by the Trust to the Trustees or any individual who served as Acting Chief Executive Officer or Chief Financial Officer, or by Sunstone Industrial Advisors Inc. during the year ended December 31, 2009.¹

Option-Based Awards

¹ On March 11, 2010, the Trustees granted 18,522 Restricted Units to each of Richard Turner and Douglas Scott and 23,153 Restricted Units to each of Jon Gordon, Robert King and James Bogusz. The Compensation Committee is of the view that the grant of Restricted Units under the Restricted Unit Plan assists in aligning the interests of Trustees, key management and key employees with those of Unitholders, thereby preserving and enhancing Unitholder value in the long term. The Compensation Committee recommends to the Trustees the individuals who shall be granted Restricted Units.
